ADD 30 YEARS OF PROTECTION TO YOUR ROOF

Versico's VersiGard membranes are known for providing outstanding value, superior long-term performance, low maintenance costs and installation versatility. With a track record in the roofing industry that exceeds 20 years, Versico has demonstrated the superiority of its products and now offers an entirely new standard for long-term performance — a 30-Year Total Systems Warranty.

30-YEAR WATERTIGHT WARRANTY COVERS:

- Membrane, insulation, fasteners and terminations
- Accidental puncture
- Hail damage
- Wind damage (up to 100 mph)

20 YEARS OF SUCCESS

VersiGard's success is due to its many exceptional characteristics, including:

- Material longevity
- Weatherability
- Membrane elasticity
- Stable physical properties

TIME TESTED

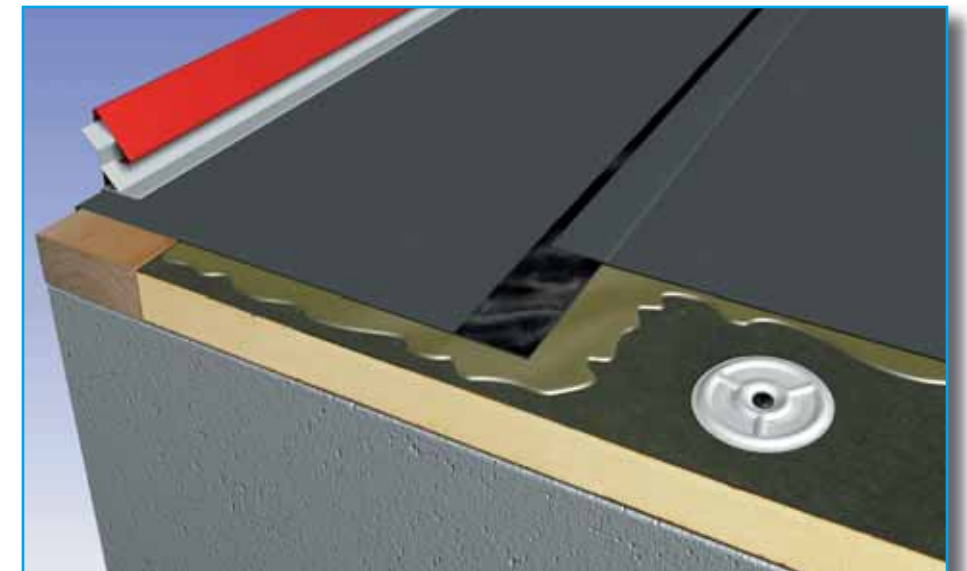

The system incorporates a 90-mil VersiGard membrane that can be adhered to various high performance substrates designed to offer ever-higher levels of performance. Versico's top-of-the-line 30-Year System is designed to offer the maximum level of performance by integrating its thickest membrane into the most secure system possible.

TECHNOLOGY AND INSTALLATION EFFICIENCY

Over the years, Versico has provided technologies to improve system performance while improving installation efficiencies.

- Membranes cleaned in the factory reduces the labor required to assemble field seams.
- Perimeter securement strips secure membranes at angle changes without adding seams, reducing required maintenance.

VersiGard Fully Adhered Roofing System
Fully Adhered Systems require mechanical or adhesive attachment of the insulation and bonding of the membrane to the insulation.

30-YEAR WARRANTY

90-MIL VERSIGARD MEMBRANE:

- Provides unmatched weatherability and durability due to its substantial thickness.
- Offers double the thickness of typical membranes
- Provides superlative longevity with the thickest weathering layer available
- 90-mil resists damage from punctures or hail.
- The membrane withstands the elements
- Membranes withstand the rigors of maintenance personnel
