

**New York State TPO Cut-Edge Sealant Announcement  
August 29, 2018**

**To: Versico Roofing Systems' Authorized Contractors**

The introduction of Versico's Low-VOC TPO Cut-Edge Sealant eliminates the necessity of packaging standard TPO Cut-Edge Sealant in eight-ounce bottles to meet New York state VOC requirements. Therefore, eight-ounce bottles will be discontinued when current inventory is depleted.

Old Product Code	Discontinued Product Description	Stocking Location
319456	TPO Clear Cut-Edge Sealant 2 each 8-oz bottles/carton	Carlisle, PA

Please use the following product code for future orders of TPO Cut-Edge Sealant:

Product Code	Product Description	Stocking Location
327530	TPO Low-VOC Cut-Edge Sealant 12 each 16-oz bottles/carton	Carlisle, PA Tooele, UT

Thank you for your continued support of Versico Roofing Systems. If you have any questions or need more information, please contact your independent sales representative.

Regards,

Michael Puzdrak  
TPO Product Manager
