

**VersiGard® QA EPDM**  
**March 7, 2019**

**To: Versico Roofing Systems' Authorized Contractors**

Versico Roofing Systems is pleased to introduce its 60-mil Non-Reinforced VersiGard QA (Quick-Applied) Black and White EPDM. VersiGard QA EPDM is a nominal 60-mil non-reinforced EPDM membrane laminated to a 100% solid pressure-sensitive adhesive. Featuring time-tested and proven three-inch Quick-Applied Tape, this labor-saving membrane can help contractors complete adhered EPDM projects in less time.

Test market results obtained over the past two years indicate very high satisfaction with the ease and speed of application, as well as with the field performance after installation. VersiGard QA EPDM rolls are available in the sizes and colors listed below.

Product Code	Description	Stocking Location
327447	.060 QA NR EPDM 10' x 100' w/3" QAT	Carlisle, PA
330064	.060 QA NR EPDM 10' x 50' w/3" QAT	Carlisle, PA
332377	.060 QA White EPDM 10' x 100' w/3" QAT	Carlisle, PA
332378	.060 QA White EPDM 10' x 50' w/3" QAT	Carlisle, PA

Taking advantage of this new QA technology on EPDM can allow your company to complete more projects per year without having to hire additional manpower.

For more information, refer to VersiGard QA EPDM technical data bulletins and installation details.

If you have any questions, please contact your independent sales representative.

Sincerely,

Ronald L. Goodman  
EPDM Marketing Manager
